(4) In the Order of 19th December 1924 sanction was given to the course of study recommend-ed by the Senior Surgeon, which was comprised of a sum of £53-11-0 for Diploma in Ophthalmic Medicine and Surgery and £32-17-0 for possessing a qualification registerable in England. (£12-12-0 for Hospital Course, £15 for Examination fee and £5-5-0 Registration Fee).

(5) A sum of Rs. 1,000 was sanctioned for the year 1924-25 to be met from the balance of Damodar Dass Charity Fund (vide G.O. No. 3489-91 dated the 8th November 1924) in addition to -- a loan of £200 out of £300 proposed to be -- granted to Mr. Subba Rao.

(6) It is not known what sum he has drawn so far. The Comptroller will have to be consulted unofficially. If the sum drawn will not cover the amount now required viz., £42-12-0, this will have to be sanctioned additionally, the amount being met from the same source perhaps, as to which the Education Branch will have

have to be consulted.

(7) In the above note, the meeting of the cost from the savings in the Medical Budget is proposed. But the Department has asked for additional grant and it is doubtful if any money can be found by reappropriation. The Senior Surgeon to whom application said to have been made may perhaps also be consulted unofficially in regard to the concession asked for and source of meeting the cost. The rules permit the grant of passage fare, tuition and examination fees and Mr. Subba Rao wants immediately money for the latter. The question of requesting the Comptroller to arrange for payment of the same by cable pending decision as to source of cost after consulting the Financial Secretariat is also for orders.

Med 25-24-26

Sir,

With reference to paragraph 2 of Government Order No. L. 6623-24 Med. 25-24-22, dated 18th March 1925, and your letter No. L.7574-Med.25-24-28, dated 24th April 1925, I have the honour to state that the sum of £42-12-0, the payment of which was directed to be made to Mr. P. R. Subba Rao in the said order is of the nature of "tuition and examination fees" and is governed by Rule (5) of the Study Leave Rules issued with Government Order No. 635-85-C.B., 59-24-1, dated 10th September 1924, which were made applicable to Mr. Subba Rao by Government Order No. L. 3489-91 Med. 25-24-6, dated 8th November 1924.

2. As no provision was made in the Medical Budget on account of expenditure on officers on study leave, a sum of Rs.1,000/- as then estimated as necessary during the current year was sanctioned to be met from the balance of the Damodar Doss Charity Fund. I therefore request that the amount now in question may also be kindly ordered to be met from the same Charity Fund as no source is available in the sanctioned Budget of this department.

3. Due provision has been made for the expenditure on account of the Assistant Surgeon's studies during the next year in the draft budget now before Government.

I have the honour to be,
Sir,
Your most obedient servant,

Senior Surgeon.
